"A stunning contemporary design villa in Bidart just a short distance from the beach at Erretegia."

Villa Infinity is a stylish contemporary home located in a quiet area south of Biarritz and close to the village of Bidart, in an ideal location near the beautiful beach of Erretegia.

The open living room with green, grey and wood design furniture is a relaxing space to spend quality family time. Right next to it, there is an open kitchen with central island. The kitchen is fully equipped, excellent for cooking delicious meals for family and friends. The large glass windows reveal the well-groomed garden with its pristine lawn, the duckboard terrace and the heated pool.

The gorgeous solid wood stairs lead to the top floor where there are four bedrooms and a wonderful terrace with pergola. A perfect spot for breakfast with wonderful views all around.

To the left of the entrance, there is a large ground floor double bedroom with its own bathroom and Italian shower. You can access the garden from the bedroom and onto a private little terrace.

On the first floor there are four bedrooms each with their own bathrooms with showers, one also has a bathtub. The master bedroom with king size bed overlooks the garden and pool.

We love the harmonious blend of concrete and wood in this beautiful contemporary holiday home but we also love the location : a few minutes walking from the 100 marches (100 stairs) of Bidart for an early morning or sunset surf.

There is a ground floor laundry room, plus an outside room where you can store your bicycles, surf boards or any other equipment you may need.

Villa Infinity is located in a quiet and peaceful residential area, less than 2 km from Erretegia's beach and golf course of Ilbarritz and about 1.5 km from the town centre of Bidart, very close to the Saturday markets to buy the best local produce of the region.

The airport is only 20 minutes away by car and Biarritz train station is about 8 minutes by car.
