Nestled among olive groves and extensive manicured gardens at the heart of the splendid Umbrian countryside, Villa Umbra is an exquisite country residence elegantly furnished in typical Italian style, with classic pieces and antiques linked to the property's rural past. The accommodation is conveniently split between the main house and separate annex giving flexibility to a large party travelling together. The villa boasts many original features such as exposed beamed ceilings, open fireplaces and handmade terracotta floors. Dining al fresco on your terrace in front of such a marvellous panorama will be 'daily routine' whilst on holiday at Villa Umbra.

The villa is ideally situated for visiting many picturesque villages and towns both in Umbria and Southern Tuscany, including Todi, Orvieto, Spello, Trevi, Gubbio, Spoleto, Bevagna and Montepulciano, to name but a few. In the nearby village of Casemasce you find two small groceries, two small bars and a petrol station too.
