“Dramatically set on a clifftop with breath-taking ocean views and a beach right at its footstep, this striking designer luxury villa with heatable infinity pool, is located on the unspoilt Western Algarve and ideally placed to walk to restaurants, shops and the beach.”

This property is perfect for a large group of friends or family wishing to enjoy time-out in a unique setting. The property sits nestled in an extraordinary coastal location looking over Praia das Cabanas Velhas and out to the ocean and it offers spacious and minimalist interiors with large picture windows bringing the outdoors in. The accommodation is arranged over three levels and includes a triple kid's bedroom. Various terraces open onto different levels of the flood lit Mediterranean garden with a lawn area, and some unique spots for relaxing and enjoying both the views and the spectacular sunsets! Just a short walk away, golden sand Cabanas Velhas Beach features a restaurant for light day time meals as well as dining. We also recommend hiring bikes to cycle to either Burgau or Salema (villages located to either side of the villa) for a wider selection of bars and restaurants. Nearby there are several golf courses to choose from as well as the rugged and beautiful west coast, perfect for surfing. Lagos town and its world class marina is 25 minutes' drive away.
