Built in a typical Algarvian style, near the "Old Village", close to bars and restaurants and a short distance to the marina, this property features a combination of rustic character and contemporary, minimalist design in a way that offers its guests a cozy space in which to relax and enjoy the holiday atmosphere. Mindful of the environment the villa is equipped with electric fans for both cold or hot air, whilst all 5 en suite bedrooms are air conditioned. The good size garden with the large pool and comfortable sunbathing area is certainly one of the highlights of this lovely property, making it suitable for groups of friends or families travelling together. Every detail has been taken care of resulting in a very attractive home-from-home in which to spend a fabulous holiday in the Algarve.
