This remarkable chalet underwent a multi-million euro renovation prior to its unveiling at the start of the 2009/10 season. It features an expansive lounge area to comfortably accommodate the property's full capacity in the evenings, with breathtaking views from the balconies.

Ideal for both large groups of adults and family parties, you can tailor this property to suit your specific needs by taking advantage of the indoor swimming pool, Jacuzzi, fitness & massage rooms, spacious kids' playroom, state-of-the-art in-house cinema, plus access to all the in-house privileges and amenities of the Hotel de Charme les Airelles. These include the Valmont Spa, three restaurants, (including that of renowned fusion chef Pierre Gagnaire), Kid's Kingdom, skating rink, and designer boutiques.
